

EMERGENCY MEDICAL TECHNICIAN COURSE

Dear Prospective EMT Student –

Thank you for your interest in the EMT Course. The Emergency Medical Technician (EMT) certification program is designed to train an individual to function independently in a medical emergency. The course provides the basic knowledge and skills needed to deliver Basic Life Support (BLS) care and is required to progress to more advanced levels of prehospital patient care.

The course requires a minimum of 154 hours of classroom and skills instruction and approximately 24 hours of Clinical/Field rotations. For these rotations you will need to ride an ambulance to obtain ten (10) patient contacts. This course is designed to train individuals to serve as a vital link in the chain of the health care team. This includes all skills necessary to provide emergency medical care as an attendant-in-charge on a BLS ambulance.

Eligibility to attend an Emergency Medical Technician course in Virginia requires that you must:

- (1) Be proficient in reading, writing and speaking the English language.
- (2) Be a minimum of 16 years of age at the beginning date of the certification course. If less than 18 years of age, you must provide the course coordinator with a completed parental permission form with the signature of a parent or guardian verifying approval for enrollment in the course.
- (3) Have no physical or mental impairment that would render them unable to perform all cognitive and psychomotor skills required for that level of certification.
- (4) Hold current certification in an Office of Emergency Medical Services approved Cardiopulmonary Resuscitation (CPR) course at the beginning date of the course. This certification must also be current at the time of state testing.

Classes will be held at the Shannon Training Center located at 8711 Courthouse Road in Spotsylvania County. Classes will be held on Mondays, Wednesdays and some Saturdays (the schedule is below). Topic schedule may change, but the dates will remain.

We will offer two CPR Courses on both Monday January 28th and Wednesday January 30th starting at 06:00 PM OR Saturday February 2nd, 2019 starting at 09:00 AM. If you are unable to attend our dates, you can take a course from another source. The current courses which are accepted by the Virginia Office of EMS to meet these standards are:

- American Heart Association - Basic Cardiac Life Support - "Healthcare Provider"
- American Red Cross - "CPR/AED for the Professional Rescuer and Healthcare Provider" or CPR/AED for Lifeguards
- American Safety and Health Institute – "CPR-PRO"
- Emergency Care and Safety Institute "Professional Rescuer" / "Healthcare Provider CPR & AED"

- EMS Safety Services, Inc. – CPR/AED for Professional Rescuers (2/1/2014)
- Medic First Aid - BLS for Professionals "BLSPRO"
- National Safety Council – "Healthcare and Professional Rescuer"
- ProCPR – "Healthcare Provider"

The cost for the course is \$350. This includes textbook, CPR certification, student shirt, initial testing fees, and blood pressure cuff and stethoscope. This fee will be due on the first night of EMT class (11FEB19). You will need to have access to a computer for this class. Some homework, quizzes and/or tests will require the use of a computer outside of class. You will also need to study and practice outside of class to be successful.

There will be an interview setup after your application is received. You will be contacted via e-mail. If you do not receive an e-mail setting up the interview please contact me at madisonkg@gmail.com Also, other dates/times can be setup for the interview if you are unable to make any of the dates.

Applications should be emailed to madisonkg@gmail.com. Anyone registering for this class must submit an application. If you do not have the capability to e-mail the application, please contact the below to make other arrangements. If you should have any questions, please feel free to contact the course coordinator whose contact information is listed below. Notifications will be made by 6PM on Monday February 4th, 2019 on acceptance into the EMT class.

EMT BASIC COURSE APPLICATION

Full Name	
Address	Date of Birth <i>(must be 16 on first day of class)</i>
City	Zip
Phone(s)	
Member of an agency? YES/NO; If YES which one?	
Email	
County of Residence	

Please select a preferred date/time for a mandatory informal interview with instructors

- ___ TUE, JAN 29th, 2018 7PM-8PM preferred time: _____
- ___ THU, JAN 30th, 2018 7PM-8PM preferred time: _____
- ___ SAT, FEB 2nd, 2018 1PM-3PM preferred time: _____
- ___ SUN, FEB 3rd, 2018 1PM-3PM preferred time: _____

Do you have current certification in one of the listed CPR courses? Yes _____ No _____

A copy of card must be attached to the application. (Must be valid through 031DEC18)

If you are not currently certified in one of the disciplines above, please check which CPR class you would like to attend:

- ___ MON & WED, JAN 28th & 30th, 2019 6:00 pm to completion (must attend both night)
- ___ SAT, FEB 2nd, 2019 09:00 am to completion

Please Answer:

Why do you want to take the EMT-B class:

Do you have time to put in time outside of class hours:

What do you mean to do with your NREMT Certification once obtained:

My signature below certifies that I meet the minimum requirements listed on the information sheet.

Signed: _____

Date: _____
