

EMERGENCY MEDICAL TECHNICIAN COURSE

Dear Prospective EMT Student –

Thank you for your interest in the EMT Course. The intention of the Emergency Medical Technician (EMT) certification program is to train an individual to function independently in a medical emergency. The course provides the basic knowledge and skills needed to deliver Basic Life Support (BLS) care and is required to progress to more advanced levels of prehospital patient care.

The course requires a minimum of 154 hours of classroom and skills instruction and approximately 24 hours of Clinical/Field rotations. For these rotations, you will need to ride an **ambulance** to obtain ten (10) patient contacts. This course is setup to train individuals to serve as a vital link in the chain of the health care team. This includes all skills necessary to provide emergency medical care as an attendant-in-charge (AIC) on a BLS ambulance.

Eligibility to attend an Emergency Medical Technician course in Virginia requires that you must:

- (1) Be proficient in reading, writing and speaking the English language.
- (2) Be a minimum of 16 years of age at the beginning date of the certification course. If less than 18 years of age, you must provide the course coordinator with a completed parental permission form with the signature of a parent or guardian verifying approval for enrollment in the course.
- (3) Have no physical or mental impairment that would render them unable to perform all cognitive and psychomotor skills required for that level of certification.
- (4) Hold current certification in an Office of Emergency Medical Services approved Cardiopulmonary Resuscitation (CPR) course at the beginning date of the course. This certification must also be current at the time of state testing.

The majority of the classes will be at the Shannon Training Center located at 8711 Courthouse Road in Spotsylvania County. Classes take place on Mondays, Wednesdays and some Saturdays (the schedule is below). Topic schedule may change, but the dates will remain. For those that have heard about the class in the past we are modifying the start times to 6:30pm. We will be giving online quizzes in the first half hour which will be used for attendance, participation and progress.

We will offer two CPR Courses the first being a two night class held on Monday JAN 20th and Wednesday JAN 22nd starting at 06:00 PM OR the second class offering Saturday JAN 25th, 2020 starting at 09:00 AM. If you are

unable to attend our dates, you can take a course from another source, but must bring an in date card the first night of class.

The current CPR courses, which are acceptable by the Virginia Office of EMS to meet the standard, are:

- American Heart Association - Basic Cardiac Life Support - "Healthcare Provider"
- American Red Cross - "CPR/AED for the Professional Rescuer and Healthcare Provider" or CPR/AED for Lifeguards
- American Safety and Health Institute – "CPR-PRO"
- Emergency Care and Safety Institute "Professional Rescuer" / "Healthcare Provider CPR & AED"
EMERGENCY MEDICAL TECHNICIAN COURSE
- EMS Safety Services, Inc. – CPR/AED for Professional Rescuers (2/1/2014)
- Medic First Aid - BLS for Professionals "BLSPRO"
- National Safety Council – "Healthcare and Professional Rescuer"
- ProCPR – "Healthcare Provider"

The cost for the course is \$350. This includes textbook, CPR certification, student shirt, initial testing fees, and blood pressure cuff and stethoscope. This fee will be due on the first night of EMT class. You will need to have access to a computer for this class. Some homework, quizzes and/or tests will require the use of a computer both inside and outside of class. You must have time to study and practice outside of class to be successful.

There will be an informal interview (more of a meet and greet) setup after your application is received. We will contact you via e-mail to schedule your interview. If you do not receive an e-mail setting up the interview, please contact me at madisonkg@gmail.com Also, other dates/times can be setup for the interview if you are unable to make any of the dates.

Please e-mail your applications to madisonkg@gmail.com. Anyone registering for this class must submit an application. If you do not have the capability to e-mail the application, please contact the below to make other arrangements. If you should have any questions, please feel free to contact the course coordinator whose contact information, listed below. By or before 6PM on Sunday 26JAN20, you will receive acceptance into the EMT class.

EMT BASIC COURSE APPLICATION

Full Name: _____

Address: _____

Phone(s): _____

Date of Birth (must be 16 on first day of class): _____

Member of an agency? YES/NO; If YES which one? _____

Email: _____

County of Residence: _____

Please select a preferred date/time for a mandatory informal interview with instructors

___ SAT, JUN 18, 2020 5PM-6:30pM preferred time: _____

___ SUN, JAN 19, 2020 1PM-5PM preferred time: _____

___ MON, JAN 20, 2019 3PM-6PM preferred time: _____

Do you have current certification in one of the listed CPR courses? Yes ___ No ___

If yes, attach a copy of your card to your application (Must be valid through MAY20)

If no, please check which class you will attend:

___ SAT, JAN 25th, 2019 09:00 am to completion

___ MON & WED, JAN 20&22, 2019 6:00 pm to completion (must attend both nights)

Please Answer:

Why do you want to take the NREMT class?

Do you have time to put in time outside of class hours?

What do you intend to do with your NREMT Certification once obtained?

We will be requiring a tablet, iPad or Computer brought to class for online activities. Will this be an issue?

My signature below certifies that I meet the minimum requirements listed on the information sheet.
